HOUSEHOLD GOODS AND PERSONAL EFFECTS

CUSTOMS REGULATIONS AND REQUIRED DOCUMENTS

Customs Regulations:

Used household goods are duty free provided the client is employed with a private company registered with the government, an NGO or has diplomatic status. Items have been used for a period of at least 6 months. Duty free exemption must be applied for. Consult the destination agent for specific requirements and forms. Tax and Duty is typically 35% of the value for those without duty free status but is often subject to negotiation with the Customs Department.

Avoid packing goods in original packaging as Customs will deem items as new and tax the goods accordingly. Consignment instructions change without notice; consult the Destination Agent for current instructions particularly if the client is a diplomat. Instructions may vary between air and ocean shipments.

Ocean shipments should route through Sihanoukville port and onto Phnom Penh container depot not through Vietnam.
